One Step / Self-Defense

1. Attacker: Right hand grabs partners left wrist.

Defender: Left hand up to grab wrist, right palm strike to the face, right hand grabs elbow, move under the arm and twist around, hold elbow and pull up on the wrist.

2. Attacker: Right hand grabs partners right wrist.

Defender: Left hand reaches across to grab hand, peel off hand and bend the elbow back, grab the elbow from underneath, pull hand back while pushing elbow up.

3. Attacker: While facing the defender, the right-hand grabs the lapel.

Defender: Bring both hands up to grab the wrist, rotate straight arm clockwise, left elbow on attackers right elbow and apply downward pressure.

4. Attacker: Standing behind partner, right-hand grabs partners right shoulder.

Defender: Step back with left foot, left Knifehand strike to neck, reach around and place left hand on back, right-hand push under attackers chin, push the chin up with the right-hand, while pulling in with the left hand, take attacker down to the floor.
